Forecast for Friday 02 Dec 2022

Weather: Cloudy overnight and on Friday with further patchy drizzle, particularly in east of area. A lot of dry weather too, especially during the morning over eastern Cairngorms and Perthshire hills.

Chance of cloud-free hill tops above 800m: 30%, best chances in west of area.

Low Cloud and visibility: Extensive cloud canopy around 700m, thinning and lifting at times, especially in west. Rather hazy beneath the cloud cover with patches of poorer visibility in association with drizzle.
